**THE NEXT GENERAL MEETING WILL BE ON 13 MAY 2025  
AT 1130 @ FERNANDINA BEACH GOLF CLUB (FBGC).**

The MOAA Nassau Florida Chapter will be having its monthly meeting on 13 May 2025 @ 1130. Our guest speaker will be Pat Green, MOAA Surviving Spouse Advisory Council Member.

Pat graduated from Pennsylvania State University with majors in Mathematics and Chemistry. Employment at PSU varied from air pollution research to technical analysis to administration of a technical information center within the Chemical Engineering Department. Her business experience came from being a systems analyst for the production and purchasing departments of a large manufacturing firm. Beginning with her family in her 30s, Pat's new career was full-time motherhood and part-time volunteering and seasonal work. Once the children were raised, full-time volunteering in community affairs filled her days. Pat Green is a surviving spouse of Col. Dave Green, USA, a Life Member of MOAA. When her husband passed, his MOAA membership transferred to Pat. Although she was not married to Col. Green while he served, she felt compelled to support and serve her local military community by joining

the Central Florida Chapter of MOAA in appreciation of the benefit he left to her.

As always, spouses are invited and encouraged to attend, since they are a key component of the group and can contribute with valuable input. As a reminder, in accordance with our arrangement with the golf club, if you reserve lunch/dinner, you have obligated the chapter for your expense and will be requested to reimburse the chapter. However, if you can provide at least 24-hour notice prior to the event of your change in plans, we can then modify the number of meals requested from the club and remove this obligation. Your cooperation in this matter is appreciated, as we have reached this agreement with the club to keep the individual costs to a minimum. Lunch/Dinner will be \$15.00/\$25.00 to be paid at the door. To make, change, or cancel your reservation, please contact Louis Tonti @ [louistonti@gmail.com](mailto:louistonti@gmail.com).

Our April general meeting was well attended with over 40 members attending our meeting. Our speaker was Nassau County Sheriff Bill Leeper. His lecture covered many topics about his department of over 350 employees and their responsibilities in our county. In addition, he shared last year's data on crime, 911 calls, illegal drugs, and population growth of our county. His recommendations for homeowners to prevent criminals from stealing our cars, breaking into our homes and stealing our possessions were impressive and straightforward. For more information about Sheriff Leeper and our county Sheriff's department visit [Nassau County Sheriffs Office](#).

## “From the Chapter President”

Hello fellow Nassau County Chapter of MOAA members –

April was a month filled with many events and May will also be a busy month for our Chapter. There will be an Officer Call at First Lover Brewery on 22 April at 1730, and the Chapter will be paying for the pizza. If you have not yet RSVPed, please do so now by responding to Lou Tonti's Evite for the event. Pat Green, MOAA National's Surviving Spouse Advisory Board member will be our guest speaker for our 13 May luncheon meeting. Pat will share some important information in order to properly prepare for the future. The information Pat will present is equally important for the MOAA member as well as their spouse. Please consider having your spouse attend the 13 May luncheon.

On 10 May the Chapter will be presenting our JROTC Scholarship to the awardee from West Nassau County High School at the Awards Dinner. I will provide you with highlights from the event at the 13 May meeting. Memorial Day falls on 26 May this year and the Chapter will be remembering two Chapter members that have passed away during the past year. A Memorial Day remembrance will be held at Veterans Memorial Park. Additional information will be provided in May via email.

I'm happy to share the Chapter's application for a MOAA Community Outreach Grant was approved. The grant of \$3,250.00 will assist the Chapter in advancing our Philanthropy and Community Outreach mission. This Nov/Dec, the Chapter will distribute Commissary gift cards to Junior Enlisted personnel/families at Submarine Base Kings Bay. Several Chapter members have already mentioned to me that they would like to participate in this event. More information will be provided in the coming months.

I was sorry for not being able to attend the April Chapter meeting. I was told Sheriff Leeper provided a great presentation. I was not able to attend the April meeting as I was in Washington DC participating in MOAA's Advocacy in Action (AiA) campaign. I met with several Congressional offices to advocate for MOAA's 2025 legislative priorities and to ask lawmakers for their support. Go to the Legislative Action Center (LAC) and make your voice heard to your Members of Congress in supporting MOAA's legislative priorities. Use the following link to register in the LAC and send a letter: <https://moaa.quorum.us/home2/>. Congratulations to Harry Henning and Rich Sharp; both were recognized at the April meeting for their contributions as Events Chair and for the Chapter receiving its first MOAA Communications FIVE star award (Newsletter), respectively.

Several members of the Chapter attended the opening ceremony for The Traveling Vietnam Memorial Wall at the Fairgrounds in Callahan on 19 April. The ceremony was very well attended by veterans, Nassau County residents and others from Florida and Georgia. For me, the event was very moving as I heard firsthand accounts of Vietnam Service from veterans that served in combat during the Vietnam War.

There are four Chairperson positions open on the Chapter's Board; those positions are the Membership Chair, Events Chair, Fundraising Chair, and Webmaster. Please let me know if you are interested in serving in one of these Chair positions or if you have any questions regarding them. Please....

- Be a Recruiter – Get one person to join our Chapter
- Participate in Calls to Action
- Donate to the Chapter's Scholarship program and The MOAA Foundation
- Attend as many Chapter events as possible

We have 91 active members that contribute to our activities and volunteer work with their \$25.00 annual dues. Please pay Bob at the door or go to [www.ncflmoaa.org](http://www.ncflmoaa.org)

Very Respectfully,

*Tony*

## AWARDS

Congratulations to Nassau Chapter Newsletter Editor Richard Sharp, Cdr. USN (ret). His newsletters were recognized by National MOAA for doing an outstanding job communicating with our members and he was honored by being awarded the 2023 Col. Marvin J. Harris Communications Award the Chapter's first 5 Star award. The picture below is past president Mike Doran, Capt. USN (ret) helping Richard Sharp hang our first Communication Award (5 Star award) on the Chapter MOAA Flag.

Congratulations to Capt. Harry Henning USAF (ret), for being recognized by MOAA Florida Council of Chapters for his outstanding contributions as Nassau County Chapter Events Coordinator.

Nassau County Chapter members Dave Kriete, Jim Jarvis, and Tony LaVecchia visit the Vietnam Traveling Memorial Wall opening ceremony on 19 April in Callahan Florida.

## **NASSAU CHAPTER CALL TO ACTION**

### **MOAA 2025 ISSUES**

#### ***Currently serving unaccompanied housing:***

Recent reporting from the Government Accountability Office (GAO) reveals the myriad challenges servicemembers in unaccompanied housing are facing.

#### ***Retirees/Veterans Toxic exposure:***

MOAA will focus on capitalizing on our recently released report *Ending the Wait for Toxic-Exposed veterans* to advocate for veterans exposed to toxic materials during their service.

#### ***Family/Survivors Spouse employment:***

Rates of unemployment for military spouses continue to be four to five times higher than the national average.

#### ***DOD/Health Care access to care:***

DOD has acknowledged that congressionally directed reforms to the Military Health System (MHS), together with U.S. medical workforce volatility, exacerbated long-standing access challenges and led to a destabilized MHS that does not consistently deliver timely care to beneficiaries.
