The MOAA Nassau Florida Chapter will be having its monthly meeting on 10 February 2026 @ 11:30. Our speaker will be Gary Powers Jr. He is the Founder and Chairman Emeritus of The Cold War Museum, located at Vint Hill, VA 45 minutes west of Washington, DC. Gary founded the museum in 1996 to honor Cold War veterans, preserve Cold War history, and educate future generations about this time period. As Chairman of the Presidential Advisory Committee for the Cold War Theme Study, he worked with the National Park Service and leading Cold War experts to identify historic Cold War sites for commemorating, interpreting, and preservation. In 2015, he consulted for a Steven Spielberg Cold War thriller, *Bridge of Spies*, about James Donovan who brokered the 1962 spy exchange between KGB spy Rudolph Abel and CIA U-2 pilot Francis Gary Powers, Sr. Gary is the author of *Letters from a Soviet Prison* (2017), *Spy Pilot* (2019), and *Enemy Territory* (2022) which help to dispel the

misinformation surrounding the U-2 Incident. Go to <https://garypowers.com/> for more information.

As a reminder, in accordance with our arrangement with the golf club, if you reserve lunch/dinner, you have obligated the chapter for your expense and will be requested to reimburse the chapter. However, if you can provide at least 24-hour notice prior to the event of your change in plans, we can then modify the number of meals requested from the club and remove this obligation. Your cooperation in this matter is appreciated, as we have reached this agreement with the club to keep the individual costs to a minimum. Lunch/Dinner will be \$20.00/\$30.00 to be paid at the door. To make, change, or cancel your reservation, please contact Louis Tonti at [louistonti@gmail.com](mailto:louistonti@gmail.com).

Our January general meeting was well attended with over 40 members attending our first meeting of the year. Captain Tony LaVecchia USN (ret), our chapter president was our speaker. He presented his “Way forward for 2026”, future events, and our chapter’s yearly goals. In addition, we had Kings Bay’s Senior Enlisted Advisors (SC Douglas-Swalls and SC Hudgas) present thanks to our chapter for our donation of 130 gift cards to their junior enlisted. If you want to review his lecture, please go to our website @ [NCFL](https://www.ncfl.org) . I have also posted his “From the Chapter President,” letter in this newsletter and our 2026 general and social calendar as well. This year is going to be full of events and excellent speakers that will make our chapter stronger and even more flexible.

Mark your calendars

# **NASSAU CHAPTER CALL TO ACTION**

## **2026 ISSUES**

**MOAA's 2026 Legislative Priorities – Click [HERE](#) for Details on Each Priority**

- **Shutdown Fairness Act**
  - Allows the Pentagon and the Department of Homeland Security to continue paying servicemembers during any future funding lapse
- **Improve and Enhance the Work Opportunity Tax Credit Act**
  - Modernizes the Work Opportunity Tax Credit (WOTC), a nonrefundable tax credit employers can take for hiring target group members during the employee's first year on the job, by increasing the amount of the credit and adding military spouses as a target group. The program is intended to reduce the unemployment rate of "job seekers who have consistently faced barriers to employment" by incentivizing employers with a tax credit, according to the Labor Department.
- **Governing Unaccredited Representatives Defrauding (GUARD) VA Benefits Act**
  - Reinstates criminal penalties for unaccredited claim representatives who charge unauthorized fees while assisting veterans with filing a claim for VA disability compensation benefits.
- **Military CARE Act**
  - Requires the Pentagon to establish a digital system designed to improve access to care at military treatment facilities (MTFs) by providing beneficiaries with a standardized platform to report barriers to MTF care and creating a data record that does not exist today to give Defense Health Agency leadership and Congress the insights needed to address systemic access challenges.
- **Veteran Caregiver Reeducation, Reemployment, and Retirement Act**
  - Expands health care coverage and career transition support for caregivers and would require a study designed to provide caregivers with a path toward financial security in retirement.
