POW/MIA Moment of Silence

- The table is round – to show our everlasting concern.
- The tablecloth is white, symbolizing the purity of their motives when answering the call to serve.
- The single red rose reminds us of the lives of these Americans…and the loved ones and friends who keep the faith, awaiting answers.
- The yellow ribbon symbolizes our continued uncertainty, hope for their return and determination to account for them.
- A slice of lemon reminds us of their bitter fate, captured or missing in a foreign land.
- A pinch of salt symbolizes the tears of our missing and their families.
- The lighted candle reflects our hope for their return.
- The glasses are inverted - to symbolize their inability to share a toast. The chair is empty – they are missing.
